Dear Mr. Bicker,

Please find enclosed the formal response from the Mourne Geology and Archaeology Group (MGAG) to your Working Party Consultation leaflet on the proposal for a Mourne National Park.

I sent this response as a Word attachment in an email to your Consultation Office on 31st January. They confirmed verbally that it had been received on that date.

I thought you would like our response in a formal hard copy pdf document and as a digital file on CD. I shall also email this digital pdf file to your office,

Yours sincerely

David Hood, B.Sc., Ph.D., F.G.S.
